

# OXFORD SCHOOL DISTRICT

## CHECK IT CHARGERS PTO FUNDRAISING CAMPAIGN

*All schools in the district are continuing Check It Chargers this year to help keep things simple and easy for the students, parents and teachers.*

### **JUST CHECK A BOX!** All donations are tax-deductible...

There are five check-boxes to choose from on the form. For any box you check which includes a donation, please be sure to provide your mailing address so a tax letter can be sent to you. For those of you who do not wish to donate but would like to become a PTO Member, there is a Power Parent option box as well. This allows you to become a member without having to pay anything, but you can stay informed of events and volunteer opportunities.

There is even a "Charger Friends and Family" box for those who may have grandparents, neighbors or friends who want to help show their support. Feel free to ask for an extra copy of the form to give to anyone who would like to be a Charger Friend.

### **IN CASE YOU ARE WONDERING, a few extra details...**

Though this form is the same for every school, each school will have their own Check It Chargers form for you to fill out; each with a few minor differences, such as who to make your check payable, Venmo or contact information, and specific details about projects and services for each school's PTO. If you have children in different schools and want to contribute to each, you should complete a separate form per school. Any amount collected by a school will be used only for the benefit of the students and staff at that school.

### **NO SELLING!** Simple is better...

The main goal is to make things simple and easy for everyone. No buying or selling of any kind for students or parents... no wrapping paper, no cookie dough, no chocolates, no magazine subscriptions and no raffle tickets. Also, this means that there will be no interference with class time and no extra work by the teachers, since we know they have enough to do already.

We are simply going to ask you to donate what you can to help support your school's PTO. There is a Check It Chargers form attached that is quick and easy to fill out. Just check the box that best suits you, fill out the necessary information, write a check if you want, and turn it in. Pretty straight forward and easy, right?

### **ALSO, there are fewer expenses for us...**

More of what you donate will go directly to the PTO of each school to use for projects, events and services that will impact the students and staff of the school.

*Business and Corporate Contributions of \$250 or more will come with acknowledgement via social media and an OSD PTO Sponsor window cling.*

### **OSD**

- Bramlett Elementary
- Oxford Elementary
- Della Davidson Elementary
- Oxford Intermediate School
- Oxford Middle School
- Oxford High School

### **PLEASE DON'T DELAY!**

Please return the Check It Chargers form along with any donation, if applicable, to your school's front desk, or, for elementary schools, to your child's homeroom teacher. Some schools may even have an option to donate online or via Venmo, so please see details on the attached form, or go to your school's website for more information. Simple as that! And, as always, **thank you for your continued support for our schools in the Oxford School District.**
