Subject: 2018-2019 Health, Wellness, and Nursing Report

The 2018-2019 Health, Wellness, and Nursing Report is attached. The report details the number of staff and student visits to the school nurses from August 2018 to May 2019. The report contains the results from the School Health Index from fall to spring. The results are required as a part of Oxford School District policy JG: School Wellness.

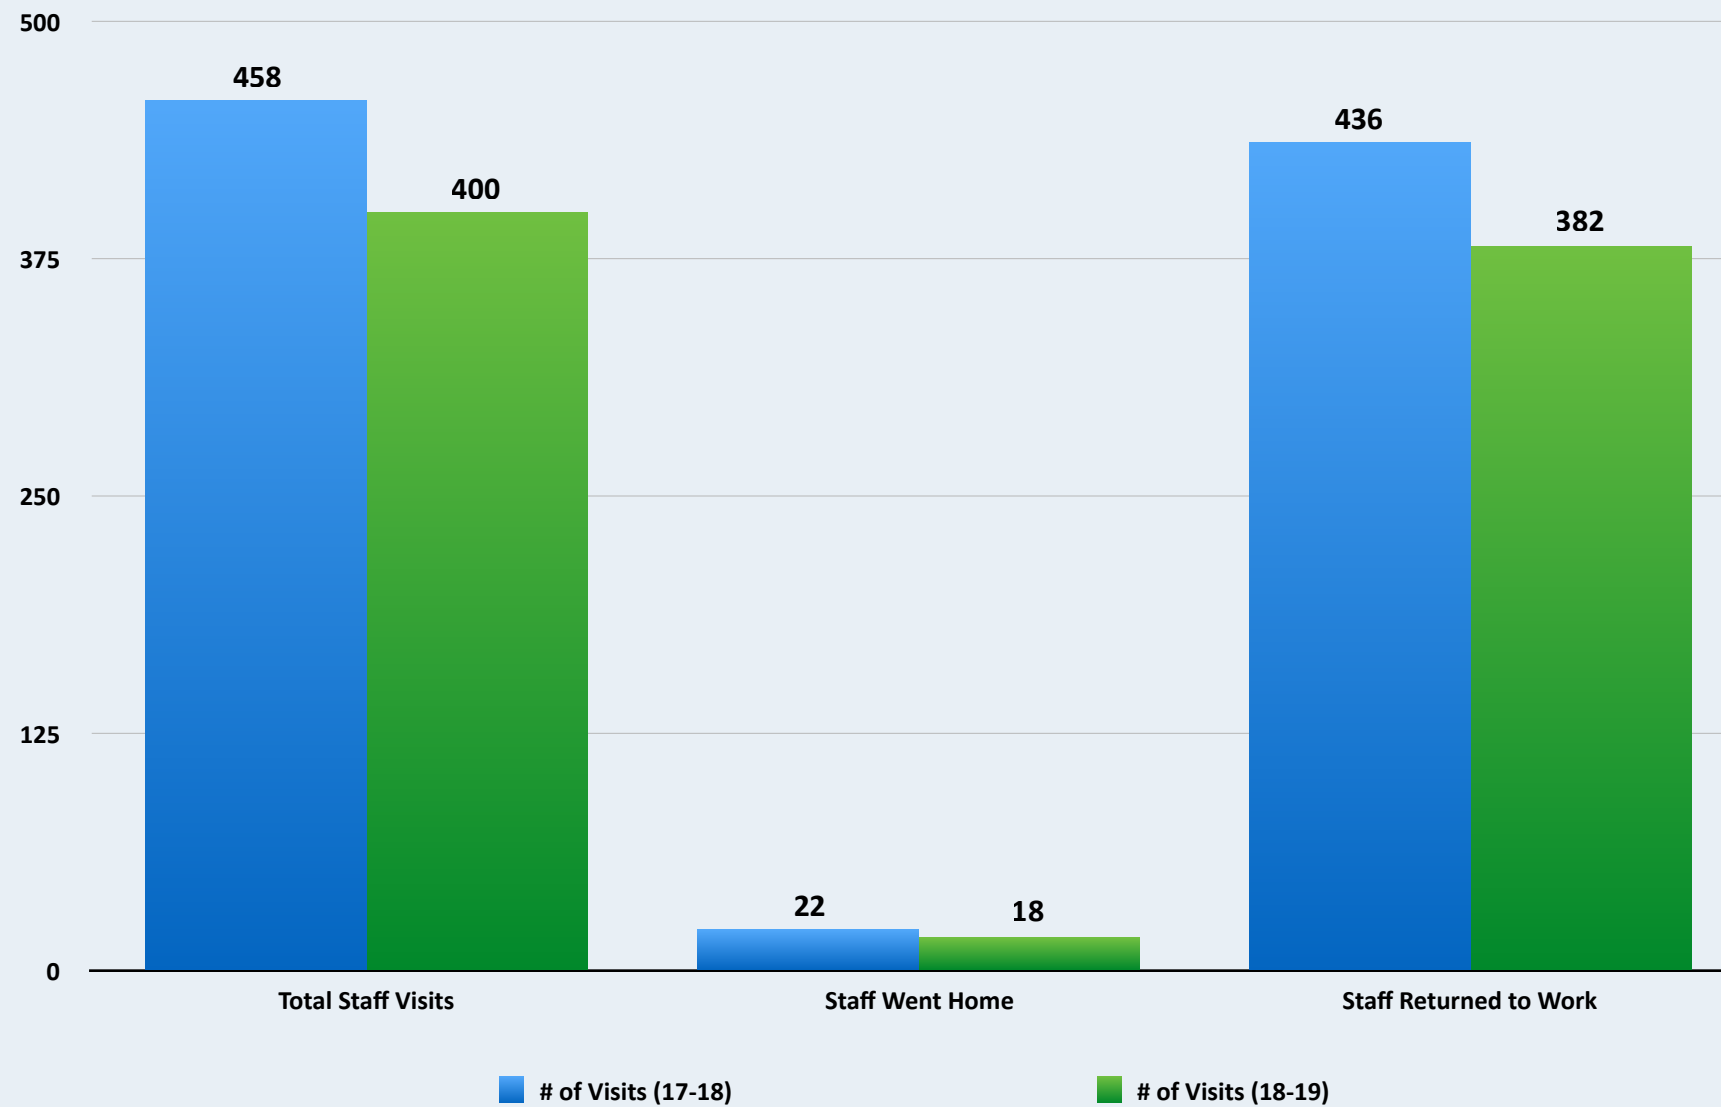

The Health, Wellness, and Nursing Program outcomes, as demonstrated in this report, are used to support the School Nurse Initiative Grant application. The Oxford School District received the grant and has been awarded \$50,000 for the 2019-2020 school year.
